Mr. Sydney P. Noe, Sec'y.
American Numismatic Society,
New York, N. Y.

Dear Sir;

Would you please give me the following information if possible;

Is there a new work by Wood's, on Mexican Revolutionary Coins, if so where can I get a copy and price?

Could you please advise me if you know of such party or does he belong to The American Numismatic Society, as Anthony F. Torchea, who gave his address as Utica, New York, 1928, this party asked me to send him a lot of coins on approval and advised that he belonged to your society, thinking he was alright sent them to him and to this day, he has never replied to a letter or paid for the coins, he has since moved from Utica, or from the address formerly given to me, this case has been referred to Postal Inspector, who I take it has not been able to locate this party to date.

Any information you may be able to give me will be appreciated.

Respectfully,

S. L. Moore,
